Description

The Foscarini Havana Outdoor Sospensione is a pendant lamp for outdoor use. The white diffuser is made of high-quality polyethylene in a rotation process and provides a diffuse and atmospheric light distribution. This outdoor version consists of a single piece of polyethylene on which four subdivisions are indicated. The holder of the Havana Outdoor Sospensione is made of painted metal and the cable of the lamp can be shortened if required. The lamp can be operated with halogen lamps, LED retrofits or compact fluorescent lamps.
