Description

The Next Alien M pendant lamp is an extraordinary light. Being organically shaped it elegantly adapts to a rope like an alien creature. It provides a pleasant atmosphere to every room by radiating its soft light. This is the smaller of two pendant lamps of this series. The cable can be delivered either in red or silver. Max. 300 cm is the Alien M height adjustable. The diffusing lens can be changed. Always a red and a white one are included. The Alien M pendant lamp is on site dimmable, various lamps with E27 socket up to 60 Watts can be used.
