Year of design	2001
protection	IP20
Scope of delivery	Leuchtmittel/ Bulb
voltage suitability	110 - 240 Volt
material	stainless Steel
height adjustment	height determinable
dimming	dimmable on site
socket/light fixture	E14

Description

The Serien Lighting Zoom XL has a brushed stainless steel finish. It is offered with one, two or three adjustable elements. The elements can be pushed together or pulled apart individually. Therefore, the diameter and the total height of the lamp change thanks to a scissor grid principle. In order to adjust the maximum diameter, the minimum suspension should be 180 cm. As accessories, Zoom crystals are available as a set of 20, which can be hooked into the lower element.
