Description

The Escale Spot It Square is made of polished aluminum. The integrated four spotlight lamp heads can be swivelled and adjusted in height independently of each other. The square lamp is 40 cm long and wide as well as 5 cm high. At maximum position, the lamp heads have a projection of 15 cm.

For the Spot It square three versions are available: on site dimmable with a leading-edge and trailing-edge phase dimmer, with Casambi module or with ZigBee module. With the Casambi App, the lamp can be regulated by the Casambi App using Smartphone/Tablet via Bluetooth. With a ZigBee module, the ceiling light can be operated via voice control.
