Description

The Escale Sun wall lamp emits light both downwards and upwards. This lamp is available in the four surfaces of aluminum leaf, matt white, polished aluminum or gold leaf. In addition, the light is offered with or without colour filters. The colour filters are available in blue, yellow, red or green. They are delivered in packs of 2. Depending on the colour filters which are chosen, the colour of the light changes for uplight as well as downlight. The Sun is equipped with two LEDs, both having a colour temperature of 2700 Kelvin colour temperature extra warm white. The diameter of the lamp is 13 cm, the depth is 4.5 cm.
