## Blow

### Oberfläche

- multicolour (blue, green and orange)
- transparent
- transparent screenprinted

### Technical details

<b>Country of Manufacture</b>	 Italy
<b>Manufacturer</b>	Luceplan
<b>Designer</b>	Ferdi Giardini
<b>Year of design</b>	1997
<b>protection</b>	IP20
<b>Scope of delivery</b>	Leuchtmittel/Bulb
<b>voltage suitability</b>	230 - 240 Volt
<b>Diameter in cm</b>	140
<b>material</b>	methacrylate, polycarbonate
<b>dimming</b>	Dimmable by optional available remote control
<b>socket/light fixture</b>	E27
<b>Power (max. Watt)</b>	105 Watt
<b>light distribution</b>	room light
<b>Dimensions</b>	H 40 cm   Ø 140 cm

### Description

The Luceplan Blow is a lighted ceiling fan. The ceiling fan can also be regulated with an optional remote control in light intensity and speed. It can also be regulated by the customer using a push-dimming system, for which a 5-core mains supply cable is required. There are available different rotors: in transparent, colour mix (blue, orange and green) or in transparent screenprinted. A switch for reversing the movement of rotors is also installed in the ceiling lamp. The design was developed by Ferdi Giardini in 1997.
