

Oluce

Lu-Lu 311

Technical details

Country of Manufacture	 Italy
Manufacturer	Oluce
Designer	Stefano Casciani
Year of design	1996
protection	IP20
Scope of delivery	Leuchtmittel/Bulb
voltage suitability	230 - 240 Volt
Diameter in cm	25
material	metal, opal glass
surface	white
cable color	black
dimming	Dimmable in the upper part, switchable in the lower part
socket/light fixture	E27
lamp stand dimensions	25 cm
system performance	1 x 100 + 1 x 60 Watt (max.)
light distribution	room light
Dimensions	H 173 cm Ø 25 cm

Description

The Oluce Lu-Lu 311 floor lamp is a design by Stefano Casciani from 1996. It consists of two parts of high-quality Murano glass, which are operated with two lamps. A double switch is integrated with which the upper part of the lamp can be dimmed and the lower part can be switched on and off. In this way, both parts can be regulated separately. The lamp base is made of brushed and the rod is made of chromium-plated metal. Oluce offers from this series also a table lamp, which can be combined perfectly. Both Lu-Lu lamps have a high light output.
