## Oxygen FL2

### Oberfläche

- black
- blue
- yellow
- white

### Technical details

<b>Country of Manufacture</b>	 Italy
<b>Manufacturer</b>	Stilnovo
<b>Designer</b>	Pio & Tito Toso
<b>Year of design</b>	2017
<b>protection</b>	IP40
<b>Scope of delivery</b>	LED
<b>voltage suitability</b>	230 - 240 Volt
<b>Diameter in cm</b>	56
<b>material</b>	Iron, polymethylmethacrylate, polyurethane
<b>cable length</b>	400 cm
<b>dimming</b>	integrated Pushbutton dimmer
<b>Wattage</b>	36 W
<b>LED</b>	inclusive
<b>Colour Rendering Index</b>	90
<b>Luminous flux in lm</b>	4,042
<b>Color temperature in Kelvin</b>	3,000 warm white
<b>light distribution</b>	directly and indirectly
<b>Dimensions</b>	H 195 cm   Ø 56 cm

### Description

The Stilnovo Oxygen FL2 is a floor lamp with a straight rod. The lamp shade contains a diffuser made with OptiLight technology in which micro incisions are laser engraved on the diffuser. When the lamp is switched off, the diffuser is transparent due to this technology. When switched on, the diffuser directs the light of the LEDs upwards and downwards thanks to the micro incisions. This floor lamp is available in the surfaces white, black, blue and yellow. The shade is white from the inside in every version. Thanks to the IP40 degree of protection, the lamp is protected against solid components with a diameter of 1 mm or more. A push dimmer is integrated on the cable. With the memory function, the last brightness level set is saved when the lamp is switched on.
