

Oluce

Plume 159

Technical details

Country of Manufacture	 Italy
Manufacturer	Oluce
Designer	Christophe Pillet
Year of design	2017
protection	IP20
Scope of delivery	Leuchtmittel/Bulb
voltage suitability	110 - 240 Volt
Depth in cm	160
material	Bronze, metal
cable color	black
socket/light fixture	E27
switchability	on the lead
Power (max. Watt)	60 Watt
light distribution	directly
Dimensions	H 21 cm

Description

The Oluce Plume 159 wall lamp is flexible and can be repositioned at any time. It has a lamp arm that can be swivelled at an angle of approx. 160 degrees. Its lamp shade can also be rotated. This wall lamp has a total depth of 160 cm and is made of metal and anodised bronze. The lamp shade folded in the middle emits direct light. The Plume 159 is regulated by an on/off switch on the supply line. Halogen lamps or LED retrofit lamps can be used as illuminants.
