### Description

The Beddy A/04 LED wall light from Bover has a light head that can be individually rotated through 350 degrees. This lamp is available in two versions. One version has the light on the left side of the wall bracket, the other on the right. The LED light source of this wall light with built-in toggle switch shines where it is needed. The wall mount of the Beddy A/04 is 33 cm high, 22 cm wide and 18 cm deep. The rotating lamp head of this white LED wall lamp has a diameter of 10 cm. This wall lamp is made of white lacquered aluminium. The lower diffuser of this wall lamp is made of polycarbonate. The LED light is switched on and off via the installed toggle switch. In addition, the wall bracket of the lamp contains a small shelf on which, for example, electronic devices that can be charged via the built-in USB port.
