### Description

This Brokis Knot Small Uovo pendant lamp has a smoke grey, mouth-blown glass with a diameter of 18 cm. The height of the lamp is 29 cm. A metal reflector is integrated at the top of the glass. This reflector is handcrafted during the production process and is available in the following colours: black matt, Chrome black, brushed stainless steel, copper and brass. The canopy is always delivered in the colour matching the reflector. The outstanding feature of the Knot lights is the cable running through the lights, which is tied in a knot at the bottom. The Knot Small Uovo smoke grey contains an LED as a light source. On request, the pendant lamp is available as a not dimmable version. In addition, the pendant lamp is also offered with a smoke brown, transparent or opal glass and as the larger Knot Uovo with a diameter of 30 cm and a height of 48 cm.

If you like to order this article, please specify the length / distance between the ceiling and the lower edge of the lamp under the item Order Review in the field Order Comment.

Each light will be packaged and shipped with a quality paper envelope containing the installation manual, white cotton gloves for gentle handling of the light, a certificate of authenticity, and the BROKIS Small Catalogue. Upon opening the box, you'll find a QR code that will take you to a brief video on how to safely unpack your new light and get started as well as detailed information on how to properly clean BROKIS lights.
