#### Description

The Cini & Nils Assolo outdoor wall and ceiling lamp consists of a ring with a diameter of 20 cm. The inner ring is illuminated by an LED, thus the lamp itself as well as the wall or ceiling around the lamp is covered by a play of light and shadow. The outer ring is available in white and anthracite-grey metallized surfaces. With protection rating IP65, this lamp is dustproof and protected against jets of water from any angle, making it ideal as an outdoor lamp. The integrated LED of the Assolo outdoor wall and ceiling light has a colour temperature of 2,800 Kelvin warm white.
