### Description

The Foscarini Cri Cri Outdoor is an outdoor light that can be operated wirelessly. Its battery is recharged with the USB cable supplied. At the highest adjustable brightness level, the battery life is about ten hours. The brightness can be adjusted via a touch dimmer on the lamp. The Cri Cri can be used both as a table lamp and as a pendant lamp. With its practical handle on the upper side, it can be set up or hung up at any time. Thanks to the movable material silicone it is also possible to fold it up in different ways. The outdoor lamp is available in red and green. It has a maximum height of 31 cm and a diameter of 24 cm. With protection class IP65, this lamp is dustproof and protected against water jets.
