Description

The Grupa Arigato Floor Palace is a floor lamp with a swivel arm. Its lamp shade can be rotated by 360 degrees and swivelled by 125 degrees. The lamp arm as well as the rod are made of steel. The lamp shade is made of aluminum. This Arigato floor lamp is available in the surfaces black or white matt powder-coated. The lamp is available in other finishes on request.

An on / off switch is integrated on the supply line. A diffuser below the lamp shade enables a glare-free light distribution downwards. The Arigato Floor Palace can be operated with E27 halogen lamps or LED retrofits. Grupa also offers the Arigato Floor with one jointed arm and the Floor Double with two jointed arms from the collection.
