### Description

For the Mawa Pisa, each glass is elaborately worked by hand. Since each glass is made of three layers of glass, small bubbles or slight deviations in size and glass thickness may occur. These are signs of quality craftsmanship. The pendant lamp is offered in three versions:

- Version 1: Suspension black, canopy black
- Version 2: Suspension white, canopy white
- Version 3: Suspension brass, canopy black

The Pisa opal white matt has a 250 cm long cable as standard. On request, it is also available with other cable lengths. In addition, this pendant lamp is also available with a suspension in Rose gold on request.
