### Description

Each glass for the Mawa Bergamo is elaborately handcrafted and consists of three layers of glass. Small bubbles or slight deviations in size and glass thickness may occur; in any case, these are a sign of quality craftsmanship. The Bergamo opal white matt is supplied as standard with a 250 cm long cable. This lamp is offered in two versions:

- Version 1: Suspension black
- Version 2: Suspension white

Ceiling canopy and cable are each in the matching colour to the suspension. On request, the Bergamo is also available with a brass or rose-gold suspension. The pendant lamp is also offered with other cable lengths or colours on request.
