| total height | 140 cm |

Description

The Domus Lixolight silver has a frame made of anodised metal, which ends in an x-shaped lamp base. Its lamp shade has a diameter of 35 cm and a height of 16 cm. From the outside, the lamp shade is offered in the colours alabaster white or graphite, from the inside, it is cream-coloured. There is a foot dimmer on the supply line. The oak wood of the foot dimmer mirrors the oak wood of the socket and the lamp base. The Lixolight floor lamp has an E27 socket that can be operated with replaceable LEDs (retrofit).
