

Domus

Stele LED

Oberfläche

- Beech
- oak
- walnut

Technical details

Country of Manufacture	 Germany
Manufacturer	Domus
Designer	Ralf Brüning
Year of design	2007
protection	IP20
Scope of delivery	LED
voltage suitability	230 - 240 Volt
material	Lunopal, steel, wood
dimming	Push button dimmer at the light rod
Wattage	40 W
LED	inclusive
Colour Rendering Index	>90
Luminous flux in lm	4,900
Color temperature in Kelvin	2,700 extra warm white
shade color	white
total height	170 cm

Description

The Domus Stele LED floor lamp is 170 cm high. It is available in oak, core beech and walnut finishes. Its two-part lamp shade is made of high-quality Lunopal. This white transparent material was developed by the German manufacturer Domus for its lamp shades and is particularly environmentally friendly. It does not yellow and is reminiscent of fine Japanese paper. The steel base has a square shape. This Stele is operated with a powerful LED that has a colour temperature of 2,700 Kelvin extra warm white. On the back of the lamp, there is an integrated push button dimmer.
