| Year of design | 2009 |
| protection | IP20 |
| Scope of delivery | Leuchtmittel/Bulb |
| voltage suitability | 110 - 240 Volt |
| material | Lunopal, oak Tree, stainless Steel, Textile |
| dimming | cord dimmer |
| socket/light fixture | E27 |
| Power (max. Watt) | 100 Watt |
| shade color | white |
| Shade diameter | 17 cm |
| total height | 158 cm |

Description

The white lamp shade of the Domus Tulip is reminiscent of a flower. Filigree stainless steel rods hold the lamp shade and allow the lamp to swing slightly. A foot dimmer is located on the cable. The floor lamp is 158 cm high in total and is available with a cable in the colours anthracite or red. Its lamp shade is made of high-quality Lunopal, which Domus developed especially for its lamp shades. This material looks like fine Japanese paper and does not fade.
