Description

The Domus Sten Merino pendant lamp is harmonious and soft in appearance. The lamp is suspended on three steel cables, the textile-covered supply line describes a freely curved S-line. The height of the pendant lamp can be individually set during assembly. The cylindrical lamp shade made of 100% woven merino wool has a diameter of 54 cm and a height of 15 cm. The light is emitted glare-free downwards.

The Domus Sten Merino pendant lamp is available with a lamp shade in the colours pebble light grey and tin dark grey. The lamp shade of the pendant lamp can optionally be combined with a silver grey or red textile cable. The Sten Merino has three E27 sockets and can also be operated with replaceable LEDs (retrofit).
