Description

The Loom Design Parachute is an elegant pendant light in aluminium with a nice look. Although the pendant is small in size, it is nevertheless incredibly versatile and eye-catching. Parachute is intelligently designed, as it can be easily adjusted in height up to a maximum length of 180 cm - just by pulling it. Parachute has LED lighting and shines both downwards and to the side, which creates a good direct and indirect lighting. With the possibility to adjust the height of the pendant, it is easy to adapt the light as needed. The Loom Design pendant lamp Parachute is a very stylish lamp and is available in several colours. This makes it possible to mix several colours or create a uniform look across various rooms and surroundings.
