Description

The Mediterrània lighting series is an ode to light, the Mediterranean breeze and fragrance. A gentle wave that pays homage to our Mediterranean lighting, which varies so much throughout the day; this light that always combines intense flashes of light with very warm rays, especially at sunrise and sunset. Architecturally speaking, Mediterrània is a lamp that serenely participates in spaces. When it is switched on, it conveys a feeling of natural, light and friendly lighting. Its curves and material make it a non-intrusive, soft and simple object. Its organic warmth allows us to rediscover it every time we see it with our eyes. Installed in rooms with geometric architecture, Mediterrània respectfully succeeds in illuminating the space.
