

Byok

Nastrino Table Clamp

Oberfläche

- aluminio mate
- negro mate

Technical details

País de la Fabricación	 Alemania
fabricante	Byok
diseñador	Kai Byok
protección	IP20
Volumen de suministro	LED
entrada de tensión	230 - 240 Volt
Proyección en cm	60
material	aluminio
longitud del cable	300 cm
Atenuación	control por movimientos
LED	reemplazado por el profesional
Indice de reproduccion cromatica	90
Temperatura de color en grados Kelvin	2.700 extra blanco cálido
El rendimiento del sistema	2 x 3,6 Watt
Flujo total luminoso en lm	610
distribución de la luz	directamente
Dimensions	H 55 cm

Descripción

The Byok Nastrino with Table Clamp is a table lamp, mainly characterised by its functionality. High-quality LED technics combined with two dazzle-free light zones, create the ideal working light. This is underlined by the well-thought-out joint technics used with the Nastrino Table Clamp.

The design is very convincing as well, because this lamp consists of simple ground aluminium profiles. The Byok Nastrino Table Clamp is available either in aluminum matt and black matt surfaces. Byok offers this lamp with a table stand, an USM-adapter and a wall fix as well. This lamp is dimmed with gesture control. During dimming thanks to the Dim2Warm technology, the light takes on a warmer colour, changing the light colour of the LEDs from 2,700 Kelvin extra warm white to 2,100 Kelvin warm white.
