Technical details

País de la Fabricación	 Italia
fabricante	Luceplan
diseñador	Paolo Rizzatto
año	2008
protección	IP20
Volumen de suministro	Leuchtmittel/Bulb
entrada de tensión	230 - 240 Volt
Proyección en cm	203
material	acero Inoxidable, aluminio, policarbonato
ajuste de altura	altura ajustable
Atenuación	Sensor dimmer en la cabeza
base/porta lámparas	E27
Alimentación (máx. Watt)	140 Watt
El flujo luminoso en lm	2.135
Diamètre de l'ombre	50 cm
Altura de pantalla	35 cm
Dimensiones del soporte de la lámpara	longitud 36, anchura 36 cm
distribución de la luz	luz de la habitación
Dimensions	H 217 - 250 cm

Descripción

The Luceplan Lady Costanza Floor Dimmer can be adjusted with its telescopic rod in height between 217 and 250 cm. It can also be rotated by 360 degrees on the lamp base. The frame has a curved shape. The shade has 50 cm as diameter and is so larger than in the Costanza series, from which this arc light 2008 was further developed.

The handle on the base as well as the lightness of the lamp body make it possible to move the light at any time. The floor lamp can also be placed directly next to a dining table or a couch thanks to a stable base. The sensor dimmer on the lamp head has to be touched only slightly to dim the lamp in three brightness levels. Both the frame and the shade are available in different colours. The frame is available in the colours aluminum or black. The shade is offered in black, primary red, white and shaded stone. Apart from this floor lamp with a dimmer, also a version with a switch is on offer.
