Technical details

País de la Fabricación	 Alemania
fabricante	Nyta
diseñador	jjoo design
año	2013
protección	IP20
Volumen de suministro	Leuchtmittel/Bulb
entrada de tensión	110 - 240 Volt
Diámetro en cm	18
material	aluminio, Textil
longitud del cable	300 cm
ajuste de altura	altura determinada
Atenuación	Regulable en el sitio
base/portálámparas	E14
Alimentación (máx. Watt)	46 Watt
Dimensiones del dosel	12 cm, altura 9 cm
distribución de la luz	directamente
Dimensions	H 16 cm Ø 18 cm

Descripción

The Nyta Tilt S is a swivelling and rotating pendant lamp. Its lamp shade is made of matt lacquered aluminum and has a diameter of 18 cm as well as a height of 16 cm. It can be rotated 360 degrees and tilted 110 degrees along the elongated opening on the shade. This allows the light of the pendant lamp to be redirected again and again. The shade is available in white, grey and black. For all surfaces, the canopy is in the matching surface to the shade. From the inside, the shade is always white. The cable is offered in six colours: white, black, red, grey, light blue and light green. A 300 cm long cable is included, on request the lamp is also available with a 500 cm long cable. The cable can be shortened if necessary. The pendant light can be operated with LED retrofit or halogen lamps. The Tilt S has already won many design awards.
