| <b>Dimensions</b>               | H 22 cm  |

### Descripción

The Oluce The Globe 727 OR wall lamp has a transparent, mouth-blown glass ball with a diameter of 20 cm. In this sphere, a cylindrical socket is integrated, which emits the light both into the room and directly. The lamp has a gold satin anodised bronze surface. Both halogen lamps and LED retrofit lamps are suitable as light sources. The Globe 727 OR wall lamp was designed by Oluce according to a concept by Joe Colombo.
