

Vistosi

Bolle PL G

Oberfläche

- transparente
- blanco

Technical details

País de la Fabricación	 Italia
fabricante	Vistosi
diseñador	Barbara Maggiolo
año	2003
protección	IP20
Volumen de suministro	Leuchtmittel/Bulb
entrada de tensión	110 - 240 Volt
material	crista vidriol, metal
Atenuación	Regulable en el sitio
base/porta lámparas	E27
Alimentación (máx. Watt)	77 Watt
Diamètre de l'ombre	25 cm
Dimensions	H 30 cm

Descripción

The Vistosi Bolle PL G is a ceiling lamp with a shade made of mouth-blown crystal glass. The balaton technique is used for the processing, whereby air bubbles are enclosed into the glass for a special texture. This texture multiplies the reflections on the surface of the shade and creates a halo effect on the ceiling around the lamp. The Bolle PL G ceiling lamp is available in crystal transparent and white. The metal parts of the lamp are satin nickel-plated in both versions. This light can be operated also with E27 LED retrofit lamps.
