Bot SP 45

Version

- E27
- LED regulable 0-10V
- LED con control de fase inversa

Technical details

País de la Fabricación	 Italia
fabricante	Vistosi
diseñador	Gregorio Spini
año	2011
protección	IP20
Volumen de suministro	Leuchtmittel/Bulb
entrada de tensión	110 - 240 Volt
Diámetro en cm	45
material	crista vidriol, metal
longitud del cable	200 cm
ajuste de altura	altura determinada
Atenuación	Regulable en el sitio
Dimensions	H 16 cm Ø 45 cm

Descripción

The lamp shade of the Vistosi Bot SP 45 consists of white, mouth-blown crystal glass. The oval shade has a diameter of 45 cm and a height of 16 cm. The light is emitted by this pendant lamp both directly downwards and into the room. The Bot SP 45 is available in two versions: as an E27 lamp and as a LED lamp. The E27 lamp is equipped with LED retrofit bulbs. The two LED lamps are operated with an integrated LED with a colour temperature of 2,700 Kelvin extra warm white. One LED lamp is dimmable with a trailing edge phase dimmer. On request, both LED lamps are also available with 3,000 Kelvin warm white. Both LED lamps have a metal suspension in matt white, the E27 lamp in glossy white.

The cable of the Bot SP 45 pendant lamp can be shortened if required. With the three ceiling hooks supplied, the pendant lamp can also be mounted independently of the power outlet.
