

Vistosi Cloth AP G

Schirmfarbe

- blanco
- metalizada

Technical details

País de la Fabricación	 Italia
fabricante	Vistosi
diseñador	Romani Sacconi Architetti Associati
año	2009
protección	IP20
Volumen de suministro	Leuchtmittel/Bulb
entrada de tensión	110 - 240 Volt
Profundidad en cm	16
material	crista vidriol, metal
Atenuación	Regulable en el sitio
base/portaámparas	E27
Alimentación (máx. Watt)	77 Watt
Dimensions	H 25 cm B 37 cm

Descripción

The Vistosi Cloth AP G wall lamp has a lamp shade that looks like pleated fabric. In fact, it is made of mouth-blown crystal glass. The lamp shade is available in two colours: white matt and metallized. When switched off, the metallized shade appears metallic due to its chrome coating. As soon as the lamp is switched on, the colour changes to dark beige. While the white version emits light through the shade and upwards, the metallized version only emits light onto the wall. The Cloth AP G can be mounted upwards or downwards with the shade open, depending on where the light is to be emitted. The wall lamp can be operated with halogen lamps or LED retrofit lamps.
