### Descripción

The Brokis Balloons Medium smoke grey is one of the medium sized lamps of this series. It is 61 cm high and has a diameter of 43 cm. This lamp has a mouth-blown glass in smoke grey. It is also available with transparent or smoke brown glass. A metal reflector is integrated in the glass, which is finished by hand. This reflector is offered in white, black, lemon yellow, orange, chrome, brass, copper, chrome brushed and chrome black. The Balloons Medium smoke grey has a black cable as standard, on request the lamp is also available with the cable colours white, dark grey, light grey, red and yellow. The table lamp is regulated by a dimmer on the cable. The E27 socket is suitable for halogen lamps or LEDs.

Each light will be packaged and shipped with a quality paper envelope containing the installation manual, white cotton gloves for gentle handling of the light, a certificate of authenticity, and the BROKIS Small Catalogue. Upon opening the box, you'll find a QR code that will take you to a brief video on how to safely unpack your new light and get started as well as detailed information on how to properly clean BROKIS lights.
