

Bover Domita S/20/19L

Technical details

País de la Fabricación	España
fabricante	Bover
diseñador	Benedetta Tagliabue
año	2019
protección	IP20
Volumen de suministro	LED
entrada de tensión	110 - 240 Volt
Diámetro en cm	195
material	aluminio, madera, plancha
Color del cable	negro
ajuste de altura	altura determinada
Atenuación	Regulable en el sitio
base/portalámparas	GU10
LED	incluyendo
Dimensiones del dosel	29 cm
Color de la pantalla	madera
Diamètre de l'ombre	20 cm
Altura de pantalla	26 cm
reemplazo de la bombilla:	en el sitio mismo
El rendimiento del sistema	19 x 8 Watt (max.)
altura total	284 cm
Dimensions	Ø 195 cm

Descripción

The multiple pendant lamp Bover Domita S/20/19L consists of nineteen individual pendants, which are suspended from the canopy in different lengths. The lamp shades of the Bover Domita S/20/19L pendant are made of completely natural beech wood. The cables run laterally out of the round brown canopy and are fixed to the desired position with ceiling fixings. The position of the individual pendant lights can thus be determined by yourself. Each of the nineteen lampshades has a diameter of 20 cm and is 25.5 cm high. The light of the Bover Domita S/20/19L is emitted directly downwards, but also diffusely through the braiding of the lampshade and at the same time distributed to the sides. The light sources in the GU10 sockets inside the lamps are interchangeable. The total height of this pendant lamp with black cables is 284 cm.
