

Bover Hardy

Oberfläche

- cromo
- oro
- blanco

Technical details

País de la Fabricación	 España
fabricante	Bover
diseñador	Oscar & Sergi Devesa
año	2013
protección	IP20
Volumen de suministro	Leuchtmittel/ Bulb
entrada de tensión	110 - 240 Volt
material	latón, plancha, vidrio borosilicato
Color del cable	transparente
ajuste de altura	altura determinada
Atenuación	Regulable en el sitio
base/porta lámparas	GU10
Potencia en vatios	8 W
Dimensiones del dosel	7 cm
Diamètre de l'ombre	7 cm
Altura de pantalla	31 cm
reemplazo de la bombilla:	en el sitio mismo
altura total	200 cm

Descripción

The lampshade of the Hardy pendant lamp by the Spanish manufacturer Bover has two concentric cylinders, an outer and an inner one. The inner cylinder contains the exchangeable GU10 LED light source and is made of metal. The outer cylinder of Bover Hardy is made of transparent borosilicate glass. This pendant lamp emits its light directly downwards. The metal cylinders of this lamp are available with a painted surface in gold or white or with a chrome alloy. The canopy with a diameter of 7 cm is in the same surface as the inner cylinder. The Bover Hardy pendant lamp has a transparent cable which can be shortened if necessary. Suspended in combination to several lights, the Bover Hardy pendant light can create a practical lighting in the living-dining area or in the gastronomy.
