Descripción

The Foscarini Rituals Parete Semi 3 is a wall lamp with a mouth blown white satinised glass. The glass is engraved with even horizontal grooves in a complex process. When the lamp is switched on, these grooves create light reflections on the glass. The light is emitted through the glass in all directions without glare, creating a halo light effect on the wall around the lamp. The Rituals Parete Semi 3 can be mounted on the wall with the wall bracket upwards or downwards. The wall bracket is available in white, gold and graphite versions. The wall lamp has an E27 socket that can be operated with halogen lamps, LED retrofits or compact fluorescent lamps. The Rituals Parete Semi 3 is also available as MyLight lamp. This lamp can be dimmed with the Casambi App via Bluetooth using a smartphone or tablet.
