Descripción

The Knapstein KIRA is a floor lamp with two integrated LED lamps in the diffuser. One LED emits its light upwards as an uplight, the other LED downwards and central through the diffuser into the room. The uplight and the central light can be dimmed separately with push button dimmers on the lamp rod. The lamp is available in matt brass and matt nickel finishes. The KIRA from Knapstein has a diffuser with a diameter of 24 cm and a height of 33 cm. The diffuser is offered in the versions glass opal matt white, chintz white and chintz dark taupe. In addition to this floor lamp with integrated LEDs, the series also includes lamps with conventional halogen sockets or with an integrated LED and a halogen socket. In addition, the KIRA is also available with a rotating and swivelling light arm.
