### Descripción

The L-shaped SLV L-Line Out 15 WL outdoor lamp is 15 cm long, 10 cm high and 10 cm deep. This anthracite-coloured LED lamp made of aluminium is perfect for wall mounting. The L-Line Out 15 WL with a power of 7 watts has a double light outlet and emits light directly downwards, but also backwards onto the wall. The colour temperature of the SLV L-Line Out 15 WL can be changed from 3000 Kelvin warm white to 4000 Kelvin white with a switch (CCT Switch) integrated in the lamp if required. With IP65 protection, the L-Line Out 15 WL by SLV is ideal as an outdoor lamp, as it is dust-proof and protected against water jets from any angle.
