

## LDM

### Big Wyng Dot

#### Oberfläche

- bronce
- plata
- blanco

#### Dimmbarkeit

- dimmable con control de fase inversa y con reguladores de control de fase
- con módulo Casambi

## Technical details

<b>País de la Fabricación</b>	 Alemania
<b>fabricante</b>	LDM
<b>diseñador</b>	Lasch + Prillwitz
<b>protección</b>	IP20
<b>Volumen de suministro</b>	LED
<b>entrada de tensión</b>	230 - 240 Volt
<b>material</b>	aluminio, vidrio acrílico
<b>Color del cable</b>	transparente
<b>ajuste de altura</b>	altura determinada
<b>LED</b>	incluyendo
<b>Indice de reproduccion cromatica</b>	90
<b>Temperatura de color en grados Kelvin</b>	2.700 extra blanco cálido
<b>Dimensiones del dosel</b>	Longitud 75 cm, anchura 8 cm, altura 4 cm
<b>reemplazo de la bombilla:</b>	en el fabricante / en la fabrica
<b>El rendimiento del sistema</b>	2 x 32 Watt
<b>Flujo total luminoso en lm</b>	6.464
<b>altura total</b>	120 cm
<b>Dimensions</b>	H 12 cm   B 55 cm   L 150 cm

## Descripción

The LDM Big Wyng Dot is an elongated, oval pendant lamp. Its lamp shade consists of transparent acrylic glass and is printed with a precise dot pattern. It has a length of 150 cm and a width of 55 cm. Two LEDs with a colour temperature of 2,700 Kelvin extra warm white are integrated as illuminants.

The lamp shade can be mounted in two ways: with the light distribution downwards or upwards. On one side, the lamp is printed with a dot screen-printed motif. When the lamp is suspended with the dot screen-printed motif facing upwards, it emits 80 % of its light downwards. The remaining amount of light is emitted upwards through the screen printing. When the lamp with the dot screenprint motif is suspended downwards, it distributes the greater part of its light upwards.

The Big Wyng Dot is offered with a suspension of the lamp shade in the surfaces white, silver metallic and bronze. The canopy is always supplied in the same colour as the suspension. The pendant lamp is available in two versions: dimmable on site with a trailing edge and / or leading edge phase dimmer or with an integrated Casambi module. With a Casambi module, the lamp can be operated via smartphone or tablet using the Casambi app via Bluetooth. Casambi technology also offers the possibility of regulating several suitable lamps in groups. On request, the lamp is also available DALI dimmable.

As standard, the Big Wyng Dot has a maximum total height of 120 cm. The two cables can be shortened if necessary. On request, the lamp is also available with other cable lengths. The pendant lamp is also offered as Big Wyng Cube with a square pattern on the acrylic glass.
