

LDM

Santo Gala Grande

Version

- aluminio
- bronce
- negro
- plata
- blanco

Technical details

País de la Fabricación	 Alemania
fabricante	LDM
protección	IP20
Volumen de suministro	LED
entrada de tensión	230 - 240 Volt
material	aluminio
angulo del rayo	124 grados
Atenuación	Dos reguladores de sensor conmutables y regulables por separado
LED	incluyendo
Indice de reproduccion cromatica	>95
Temperatura de color en grados Kelvin	2.850 blanco cálido
reemplazo de la bombilla:	en el fabricante / en la fabrica
El rendimiento del sistema	4 x 14,5 Watt
Flujo total luminoso en lm	2.400
altura total	115 cm
Dimensions	L 240 cm

Descripción

The LDM Santo Gala Grande is a pendant lamp with a length of 240 cm. Four LEDs are integrated next to each other in the lamp, which emit most of their light directly downwards. Via two sensor dimmers, the two left and the two right LEDs can be switched and dimmed in pairs without touching. A wiping hand movement in the respective sensor area switches two LEDs on or off. To dim the light of two LEDs, the hand is held in the sensor area for a longer period of time.

The Santo Gala Grande is made of aluminum and is available in polished aluminium, silver metallic, bronze, black and white matt. All surfaces except polished aluminum are powder-coated. The lamp is suspended from the ceiling by two cables, two power connections are required on the ceiling. The LDM pendant lamp has a total height of 115 cm, special cable lengths are also available on request.
