## Descripción

The white lamp shade of the Domus Tulip is reminiscent of a flower. Filigree stainless steel rods hold the lamp shade and allow the lamp to swing slightly. A foot dimmer is located on the cable. The floor lamp is 158 cm high in total and is available with a cable in the colours anthracite or red. Its lamp shade is made of high-quality Lunopal, which Domus developed especially for its lamp shades. This material looks like fine Japanese paper and does not fade.
