

Ingo Maurer

Campari Bar

Technical details

Pays de fabrication	 Allemagne
fabricant	Ingo Maurer
concepteur	Celentano, Raffaele
année	2013
protection	IP20
Contenu de la livraison	Leuchtmittel/Bulb
aptitude de tension	110 - 240 Volt
matériel	porcelaine, verre
couleur de câble	transparent
longueur de câble	200 cm
base/version	E27
Transférabilité	contacteur à tirette
Puissance (max. Watt)	60 Watt
Puissance en Watt	5,4 W
couleur diffuseur	rouge
Pied de lampe dimensions	longueur 39 cm
Dimensions	H 49 cm

Description

The Ingo Maurer Campari Bar is the table lamp in the Campari Light collection. Ten original Campari Soda bottles are combined for an extraordinary ensemble and envelop the room in a fascinating red. In the middle of the bottle is transparent plastic lamp body, which carries the bulbs. Above the ten Campari Soda bottles are placed ice cubes made of glass that break and reflect the light.

As a basis for the Campari Bar is a dish from Colombia collection of Alessi, where the lighting rod was attached. The Campari Bar can be switched via a pull switch, which forms the end of a Campari bottle caps. The ten Campari bottles are all individually removable. The three bowls in the photos are not included, they are just decoration.
