aptitude de tension	110 - 240 Volt
matériel	polyéthylène, métal
surface	blanc
couleur de câble	noir
longueur de câble	240 cm
réglage de la hauteur	hauteur déterminée
atténuation	dimmerable sur place
base/version	E27
Puissance (max. Watt)	15 Watt
hauteur totale	266 cm
Dimensions	H 26 cm B 26 cm L 31 cm

Description

The Foscarini Outdoor Gregg Media Sospensione is a pendant light suitable for outdoor usage. The lamp shade is made of polyethylene. The offered light is the smallest of the three lamps of the Outdoor Gregg series. Depending on the connection options, the lamp has a protection rating of IP44 (with plug connected) or IP65 (with clamp). With IP44 protection, it is protected against splash water from all sides and solid foreign bodies with a diameter of at least 1 mm. With IP65, the lamp is dust-tight and protected against water jets from any angle. The cable length can be determined. On request, also a version with a longer cable is offered.
