

Byok

Nastrino Pico Table Stand

Oberfläche

- Matt aluminium
- noir mat

Technical details

Pays de fabrication	 Allemagne
fabricant	Byok
concepteur	Kai Byok
protection	IP20
Contenu de la livraison	LED
aptitude de tension	230 - 240 Volt
Projection en cm	35
matériel	aluminium
longueur de câble	300 cm
atténuation	controle gestuel
LED	remplacé par des professionnels
Indice de rendu des couleurs	90
La température de couleur en Kelvin	Dim to warm
Pied de lampe dimensions	longueur 15, largeur 15 cm
Les performances du système	2 x 3,6 Watt
Flux lumineux total en LM	610
répartition de la lumière	directement
Dimensions	H 30 cm

Description

The Byok Nastrino Pico Table Stand is a table lamp characterised by its functionality. High-quality LED technics combined with two dazzle-free light zones create the ideal working light. This is underlined by the well-thought-out joint technics used with this lamp.

The design is very sleek as well, because this light consists of simple ground aluminium profiles. These different surfaces are offered for the Byok table lamp: aluminum matt and black matt. The Nastrino Pico Table Stand is dimmed with gesture control. During dimming thanks to the Dim2Warm technology, the light takes on a warmer colour, changing the light colour of the LEDs from 2,700 Kelvin extra warm white to 2,100 Kelvin warm white. This lamp is also available with a table clamp, with USM Adapter or with a wall mounting as wall lamp.
