#### Description

The Foscarini Birdie Grande Sospensione Bianco is a white, large single pendant lamp with a shade diameter of 25 cm. Above the screen kinks a small branch, as it is typical for the lamps of this series.

The shade is made of white polycarbonate which is slightly transparent. Thus the light of pendant light is emitted not only straight down, but also diffusely into the room. The light uses a high-voltage halogen lamp with a maximum of 150 Watts or a fluorescent lamp with a maximum of 25 watts.

The round canopy is available in white. Besides the Birdie Grande Sospensione Bianco also the smaller Piccola in white is on offer.
