Type 75 Mini Lamp with Desk Insert

Oberfläche

- noir
- gris
- blanc

Technical details

Pays de fabrication	 Royaume-Uni
fabricant	Anglepoise
concepteur	Kenneth Grange
année	2011
protection	IP20
Contenu de la livraison	LED 230 Volt
aptitude de tension	110 - 240 Volt
Projection en cm	55
matériel	aluminium
longueur de câble	180 cm
base/version	E27
Transférabilité	sur la tête de lampe
Puissance (max. Watt)	20 Watt
LED	y compris
Diamètre de l'ombre	13 cm
Hauteur de Abat	15 cm
remplacement des ampoules :	sur le site meme
Dimensions	H 42 cm

Description

The Anglepoise Type 75 Mini Lamp with Desk Insert is installed into a table. The recessed light has movable light arms, which can be readjusted again and again by tension spring technology. Thanks to this tension spring technology, the table lamp remains in any set position. The lamp shade can be rotated and tilted. Lamp arms and shade are made of aluminum, the desk insert is a steel and aluminum construction. This recessed lamp is available in slate grey, jet black and alpine white. An on/off switch is integrated on the shade. The table lamp can be operated with LED retrofit lamps or compact fluorescent lamps. A table base in the matching surface is included in the scope of delivery.
