### Description

The Marset accessories C2 Djembe 65 connects two ceiling lights Djembe C 65 with each other and allows the connection of these lights to a power supply. The lamps used, with a diameter of approx. 65 cm, can have different shade heights (see versions 1 to 3). The accessories are made of black painted iron. In addition to this accessory for two ceiling lamps, there is also available an accessory for connecting three C 65 lamps or for connecting two or three lamps of this series with a shade diameter of approx. 42 cm (Djembe C 42).
