### Description

The Marset Vetra 43 pendant lamp has a lamp shade with a diameter of 43 cm. The shade is made of mouth-blown glass. Below the lamp shade there is an LED integrated which directs its light into the interior of the shade, from where it is reflected glare-free downwards and also into the room. A small part of the light also illuminates the shade from the inside. This pendant lamp is available in amber and white. The cable is a maximum of 300 cm long and can be shortened if necessary. The Vetra 43 pendant lamp can be dimmed on site.
