Description

The Vita P 60cm pendant lamp has a lamp shade made of high-quality chintz. The shade has a diameter of 60 cm and is available in the colours white, champagne, slate, sand, light grey and wave optics white. The lamp shade is closed at the top and bottom by a chintz cover, so the light is glare-free emitted in both directions. Depending on the shade colour, the light is also emitted through the shade. The overall height of the Vita P is a maximum of 140 cm and can be set as required by shortening the cable. This pendant lamp can be operated with halogen lamps or LED retrofits. It is also available with a shade diameter of 40 cm or 50 cm.
