Description

This Vita 6 ceiling lamp has a diameter of 80 cm and a height of 18 cm. It emits its light directly downwards and, depending on the shade colour, also through the shade to the side. The white chintz base conceals the lamps and creates a homogeneously illuminated surface. The Vita 6 80 cm is available in the shade colours slate, white, sand, champagne, light grey, wave optics white, gold leaf and silver leaf. Both halogen lamps and LED Retrofits are suitable as illuminants for the ceiling lamp.
