

Secto Design

Octo Small 4241 white

Technical details

Pays de fabrication	 Finlande
fabricant	Secto Design
concepteur	Seppo Koho
année	2019
protection	IP20
Contenu de la livraison	LED 230 Volt
aptitude de tension	110 - 240 Volt
Diamètre en cm	45
matériel	bois
surface	blanc
couleur de câble	blanc
longueur de câble	150 cm
réglage de la hauteur	hauteur déterminée
atténuation	dimmerable sur place avec commande gradateur de phase inverse
base/version	E27
Puissance (max. Watt)	20 Watt
Puissance en Watt	5,4 W
LED	y compris
exécution	-
remplacement des ampoules :	sur le site meme
Dimensions	H 55 cm Ø 45 cm

Description

The Secto Design Octo Small 4241 pendant lamp is handcrafted from Finnish birch wood. It emits light mainly through the opening at the lower end of the lamp shade. At the same time, part of the light passes between the wooden slats of the shade. The Octo Small 4241 has a diameter of 45 cm and a height of 55 cm. It is available with white or black laminated surfaces, in natural birch or with walnut veneer. Here it is offered in white. The pendant lamp is operated with an LED retrofit. The supplied cable has a standard length of 150 cm. All versions except the black one have a white cable and canopy, the black version has a black cable and canopy.
