Technical details

Pays de fabrication	 Italie
fabricant	Cini & Nils
concepteur	Luta Bettonica
année	2017
protection	IP20
Contenu de la livraison	LED
aptitude de tension	230 - 240 Volt
Diamètre en cm	25
matériel	acier, aluminium
réglage de la hauteur	hauteur déterminée
LED	y compris
Indice de rendu des couleurs	92
La température de couleur en Kelvin	2.800 blanc chaud
canopée Dimensions	16 cm
Les performances du système	1 x 9 Watt Downlight + 2 x 5 Watt Uplight
Flux lumineux total en LM	2.200
hauteur totale	250 cm
Dimensions	H 2 cm Ø 25 cm

Description

The Cini & Nils Passepartout 25 pendant lamp emits light simultaneously upwards and downwards. The light is bundled in both directions by a lens. The lamp has a diameter of 25 cm and a height of 2.3 cm. The Passepartout 25 is available in four versions: white matt, black matt, chrome polished and gold polished. All versions except gold have a diamond-polished aluminum support element for the lens. The gold version has a matt brass support. The lamp itself is always made of steel.

The Passepartout 25 is offered in three dimmabilities: dimmable on site with a trailing edge phase dimmer, with an integrated Casambi module or with an integrated sensor dimmer. The version with Casambi module can be dimmed with the Casambi App via Bluetooth by a smartphone / tablet. The version with sensor dimmer is switched on and off by moving the hand under the sensor. The light is dimmed by holding the hand under the sensor. The total height is a maximum of 250 cm, the cables can be shortened if required. On request, an accessory is available with which two Passepartout lamps can be mounted on a common power connection.
