

Cini & Nils

Convivio pendant lamp 2-lights LED

Oberfläche

- chrome
- noir

Technical details

Pays de fabrication	 Italie
fabricant	Cini & Nils
concepteur	Luta Bettonica
concepteur 2	Mario Melocchi
année	2005
protection	IP20
Contenu de la livraison	LED
aptitude de tension	230 - 240 Volt
Diamètre en cm	11
matériel	acier, aluminium, laiton, verre
longueur de câble	385 cm
réglage de la hauteur	hauteur déterminée
atténuation	dimmerable sur place avec commande gradateur de phase inverse
LED	y compris
Indice de rendu des couleurs	92
La température de couleur en Kelvin	2.800 blanc chaud
canopée Dimensions	14 cm
Les performances du système	2 x 13 Watt
Flux lumineux total en LM	2.600
Dimensions	H 65 cm Ø 11 cm

Description

The Cini & Nils Convivio pendant lamp 2-lights LED emits its light directly downwards, whereby the light is bundled by transparent glass lenses. This creates a distinctive, clear illumination. The 2-lights pendant lamp has a decentralised canopy, so that the lamp can be installed independently of the power supply. In addition, it is also possible to choose any distance between the two pendulums during installation.

The Convivio pendant lamp is available in black matt and chrome finish. Two LEDs are integrated as light sources, which can be dimmed on site with a trailing edge phase dimmer. With an optionally available Casambi module, the light can also be dimmed via Bluetooth with the Casambi app by smartphone / tablet. On request, the pendant lamp can be supplied with an already integrated Casambi module. The cable length can be set individually by the installation.
